RE: Drainage Easement Obstruction

Dear Mr. & Mrs. DiBella:

As you recall, the County is currently working to resolve drainage issues adjacent to your property. The County Public Works staff is working with Mr. DiBella to remove the drainage obstructions. The extent and type of encroachment will require additional time. Mr. DiBella will be responsible for actively pursuing the pool modifications that are needed to allow County forces to reconstruct and maintain safe drainage within our platted easement. Once complete, Leon County staff will maintain the easement on a regular schedule for drainage only.

We will keep all adjacent residents informed of the progress of this project. County staff appreciates your patience in this matter. If you have any questions, please contact me at 488-8003.

Sincerely,

Theresa B. Heiker, P.E.
Stormwater Management Coordinator
